

## New Milford High School Rotation Schedule for the 2023-2024 School Year

This calendar indicates the rotation schedule for each day classes are in session, 4 hour session days (as noted on the district calendar), or half days. We will follow this schedule even if it is necessary to close the school for any reason; in these cases, the rotation days will not change. The dates shaded in green represent weekends. The dates shaded in yellow represent school closings for holidays.
