October, 2015

Dear Parents/Guardians,

In accordance with N.J.S.A.18A:40-42, the New Jersey Department of Health and Senior Services has developed the attached educational fact sheet about Human Papillomavirus (HPV). Public school districts are statutorily required to distribute the fact sheet to parents or guardians of students in grade seven.

Should you have any additional questions about the Human Papillomavirus, please direct them to the New Jersey Department of Health and Senior Services.

Sincerely,

Mary Ann Mammano, RN CSN
