Unauthorized Vacations:

New Jersey State Law 18A 38-25, 26 requires that students attend school on days/hours that schools are in session in the school district. Unauthorized vacation days are considered unexcused absences. The school strongly discourages student absences for unauthorized vacations.

****Due to your child missing ten (10) or more consecutive school days, we will be deactivating your child from Power School until they return. Please fill out the form below and your child will be reactivated in the system upon their return to school****
